Meget letlæst serie med lav lix og lavt let-tal om de to børn Fifi og Luis og deres oplevelser. Bøgerne er fuldt illustrerede i farver på alle sider. God til den første læsning på grund af det lave lix- og let-tal. Læsepædagogisk bearbejdet af forfatteren. Lix 3.

Let-tal 11. Indbundet som hardback.

Port Manteaux churns out silly new words when you feed it an idea or two. Enter a word (or two) above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs. We would like to show you a description here but the site won't allow us.
