London, Baby, London er en „to-i-en“ rejseguide til besøgende, der vil mere end at se Buckingham Palace, spise Fish and Chips og shoppe på Oxford Street. Med udgangspunkt i forfatterernes forskellige livssituationer, som henholdsvis eventyrlysten freelance journalist og veletableret karrieremor, katapulterer bogen læseren direkte ind i londonernes London. Hvad enten du rejser som babymor, single baby eller med din baby love, finder du i bogen et overflødhedshorn af personlige anbefalinger til alt det, du kan opleve i London: Forkæl smagsløgene i Londons spirende gastropubmiljø, de mange trendy asiatiske fusionskøkkener eller babyvenlige frokostrestauranter; fyld poserne med Harvey Nichols trendsættende mode, Vestlondons finurlige vintagefund eller Notting Hills lækre babytøj; udforsk Camdens skæve kulturoplevelser, Nohos hippe gallerier eller South Kensingtons børnevenlige museer; tril barnevognen gennem Gwyneth Palthrows romantiske lokalområde, Primrose Hill, eller oplev byen fra et gyngende paddle board på Themsen; slut dagen af med en storslået udsigt fra en lækker tagterrassebar (med eller uden baby), eller forsæt på en af Shoreditchs nye, trendy cocktailbarer. Med en unik blanding af personlige anbefalinger, sjove historier og insidertips kan bogen både fungere som inspirationslæsning før turen, hyggelæsning på rejsen over og turguide undervejs. Bogen sælges som en „to-i-en-guide“, delt op i to bøger (med forside for og bagpå) baseret på hver forfatters individuelle anbefalinger og profil.
